RESOLUTION OF THE COMMON COUNCIL
OF THE CITY OF FORT WAYNE

It is with a deep feeling of civic and personal loss that the Council received word of the death of Robert E. Wilkerson, who by his devotion through his years of active life to the needs of others has exemplified the best and noblest motivation. In preparation for this life of service, he secured at considerable sacrifice both a Bachelor's Degree with Fisk University and a Master's Degree from the University of Minnesota. Well-educated, intelligent, with a well-developed social consciousness, he worked as a teacher and for many years as executive director of the Urban League. In this work, he was articulate, forceful; but at all times a true gentleman. In like spirit of good citizenship, he has served on the Board of Directors of the Associated Churches and served also as a member of the Fort Wayne Public Transportation Corporation. He also served numerous other religious, charitable, civic and other associations.

Never violent, yet he was always forceful; a strong advocate of what he believed in, he still understood and appreciated the problems of others. He had a warm and friendly personality. He will be missed by all who knew or came in contact with him. Our community has been helped by his presence among us, a void will remain which will be difficult to fill.

THEREFORE, BE IT RESOLVED that the Common Council of the City of Fort Wayne, Indiana hereby expresses its appreciation for

COMMITTEE REPORT:

Bill No. Z-69-02-22

It is the recommendation of this Committee that this ordinance be returned to the Common Council with the recommendation that it DO NOT PASS, for the following reasons:

- a. Lake Avenue is the logical commercial district boundary on the north and this change, if granted, would start strip zoning.
- b. U. S. #30 Bypass is a limited access highway with no access points designated for this site.
- c. The future Land Use Plan establishes this site as a high density residential district and there has not been sufficient change in the area since the adoption of the General Plan to warrant a revision of the existing land use.
- d. The Common Council did not concur with the recommendation of the Plan Commission for DO NOT PASS at the northeast corner of this intersection. However, we feel that our former recommendation conformed with the General Plan and do not wish to multiply in error by rezoning this corner.

In re: Zoning Ordinance No. Z69-02-22
Northwest corner Lake Avenue and ByPass

Dear John:

There are so many of these matters that come before you that I will give you a little history so that you will be acquainted with the matters referred to in this letter. Approximately a year ago George Mallers and I met with you and the Council regarding a zoning ordinance to rezone the Northwest corner of Lake and the ByPass to accommodate a B-1-A, B-1-B, and B-4 Zoning for development of a Modern Sunoco Service Station, a national restaurant chain outlet and bake shop. After some discussion at that time, you suggested that we withdraw our then pending ordinance and refile it later. The petition has been refiled and the Plan Commission at its Executive hearing on March 24, 1969 recommended a "Do Not Pass". This ordinance will, therefore, be shortly referred to the Council.

I am writing you this letter because I am most interested in sitting down with you and the other Council members, if possible, to discuss with you the inequity that I feel would result from a failure to permit the owners to obtain the highest and best use of the property at that corner. It is presently zoned R-1 for single family residence only and obviously is not suited for that category. You will recall that approximately a month and a half ago the Council

approved a rezoning approximately 500 feet directly across the Street on the South side of Lake Avenue to a B-1-B category for development of a supermarket, I believe. Enclosed with this letter is a scale drawing from the Sun Oil Company which is in conformity with our discussion last year regarding the ingress and egress to and from the property.

I will check with the Council and be available at its Committee meeting when this ordinance is returned to the Council so that I can answer any questions that the members might have.

Very truly yours,
